# TOUR OVERVIEW

Join our Japan study tour focused on dementia care, highlighting the role of robotics in innovative design. As the global population ages, Japan is at the forefront of integrating advanced robotics with traditional care practices to enhance support for individuals with dementia. This tour invites Senior Executives, Architects, codesign teams and those with Alzheimer's and Intergenerational focus. Participants will visit state-of-the-art facilities, engage with leading experts, and discover how robotics, combined with thoughtful design, can transform dementia care and strengthen community connections in both residential and home settings.

### PAYMENT DETAILS

To secure a place on this tour no bookings are held until registration and payment of deposit are received. Please note that any registrations received after final payment date stated above need to be paid in full with registration.

Due to the demand for this tour, we are unable to retain your registration without a completed online booking form and payment by the due dates. All reservations will be cancelled upon non-receipt of the above by the due dates unless prior arrangements have been made in writing.

**Important note:** Prices are based on tariffs and airfares current at April 3rd, 2025. In this time of escalating prices and economic instability, it is impossible to predict accurately fluctuations in exchange rates or increases to cost elements of tours. Unfortunately, SAGE Tours does not have control of airfares, fuel, airport and airlines taxes and surcharges, hotel rates and other service provider tariffs. In the event of such fluctuations or increases affecting the prices which SAGE pay for transportation, hotel accommodation and other services, we reserve the right to adjust our prices as may be necessary at any time up to and including the day that final payment is made. We will do all in our power to avoid this however at times it will be completely out of our control. SAGE delegates will always be kept informed of potential rises or any changes in SAGE Tours advertised prices.

### CANCELLATION FEE

All payments are non-refundable once paid unless the trip is cancelled by SAGE Tours due to insufficient delegate numbers at time of booking. However, if cancellation is made by a delegate a refund may be considered if a replacement delegate is found.

## TERMS & CONDITIONS OF TRAVEL

If less than this number register this tour program will not be offered. Hotel/Venues subject to change. SAGE Tour terms and conditions available at [click here](#)

**IT IS COMPULSORY FOR ALL DELEGATES TO HAVE TRAVEL INSURANCE.**

# ABOUT SAGE TOURS

SAGE Study Tours offers innovative study tours to the aged care and retirement, seniors living sector. Delegates have the opportunity to evaluate the advancement of eldercare from a global perspective and receive insights from some of the world's most highly respected industry professionals, and organisations.

## THE VALUE PROPOSITION

The SAGE programs offer delegates a high level educative, professional and culturally appropriate study experience in another country looking at Seniors Living Models and delivery of care.

## LEARNING EXPERIENCES

Delegates are exposed first-hand to high quality sites and facilities with recognised contemporary management practices. Delegates will learn about successful alternative service delivery models and are led by a study leader with years of industry experience who will facilitate knowledge and cultural exchange and make your tour experience 'hassle free'.

## PROFESSIONAL DEVELOPMENT

Senior executives receive a broadened professional knowledge base to lead their organisations, and strengthen their personal and professional networks, and relationships, across the industry sector. Seniors living and care professionals receive an excellent forum for fostering and exchanging learning and cultural opportunities.

## COLLABORATION AND NETWORKING

Valuable connections are made with key contacts in the international seniors living and care sector. Throughout the tours delegates meet with highly respected professionals, visit cutting edge service providers and learn about alternative service delivery models. The value of traveling together is delegates networking with each other and brainstorming opportunities as there is time for reflection and discussion across the days of the program.

## TOUR OBJECTIVES

To provide participants with an opportunity to gain valuable insights into key organisations involved in the provision of seniors living and care across the globe by:

- Visiting identified best practice organisations and institutions
- Fostering and exchanging learning opportunities across different cultures
- Facilitating cultural exchange at an industry and personal level
- Meeting with well-respected professionals working in the sector
- Developing an understanding of the roles of government, non-government organisations (NGOs) and the not-for-profit and private sectors in the provision of aged care services in other countries
- Gaining an understanding of alternative forms of service delivery in operations, workforce, clinical delivery, community education, resource development and research
